2026年第五届土木与海洋工程国际会议

2026 5th International Joint Conference on Civil and Marine Engineering

Welcome to JCCME 2026

Welcome to the 2026 5th International Joint Conference on Civil and Marine Engineering (JCCME 2026), which is organized by Dalian University of Technology, and State Key Laboratory of Coastal and Offshore Engineering, and co-organized by Dalian Maritime University, *Journal of Marine Science and Application* and International Joint Laboratory of Naval Architecture and Offshore Technology, and is scheduled to be held in Dalian, China on November 20-22, 2026. JCCME combines Academia with Industry to adapt scientific achievements into practical applications in the field of Civil and Marine Engineering.

JCCME gives researchers and engineers from around the world the opportunity to present and discuss recent developments in the field. The event will offer a pleasant environment to establish avenues of new cooperation and work. All accepted and presented papers will be published in digital conference proceeding, which will send to be reviewed and indexed by major citation databases such as Ei Compendex, Scopus etc.

We hope you all will have a memorable and enjoyable experience here. Meanwhile, on behalf of the JCCME 2026 organizing committee, we would like to express heartfelt thanks to all the participants, keynote speakers, sponsors and volunteers who make this conference possible.

Committee

Conference Chairs
Long Yu, Dalian University of Technology, China
Qing Yang, Dalian University of Technology, China

Conference Co-chairs
Dezhi Ning, Dalian University of Technology, China
Hongpeng Zhang, Dalian Maritime University, China

Program Chairs
Yuxiang Ma, Dalian University of Technology, China
Zhongtao Wang, Dalian University of Technology, China
Peng Li, Harbin Engineering University, China
Hao Tian, Dalian Maritime University, China

Publication Chairs
Dong Wang, Ocean University of China, China
Lars Johanning, University of Plymouth, UK

Publicity Chairs
Huafu Pei, Dalian University of Technology, China
Lifen Chen, Dalian University of Technology, China
Chao Wang, Harbin Engineering University, China

Finance Chair
Yubin Ren, Dalian University of Technology, China

Award Chairs
Scott Draper, The University of Western Australia, Australia
Xiaowei Feng, Dalian University of Technology, China
Chong Tang, Dalian University of Technology, China
Wei Shi, Dalian University of Technology, China

Local Chairs
Yunrui Han, Dalian University of Technology, China
Robert Mayon, Dalian University of Technology, China
Rongquan Wang, Dalian University of Technology, China

Plenary Speakers

Jun Zang
University of Bath, UK

Liang Cheng
South China University of Technology, China

Li Zou
Northeastern University, China

Xuguang Chen
Ocean University of China, China

Yuxia Hu
University of Western Australia, Australia

Dezhi Ning
Dalian University of Technology, China

Run Liu
Tianjin University, China

Topics of Interest

Coastal and Ocean Hydrodynamics
Offshore Renewable Energy Technologies
Coastal Protection and Ecological Restoration
AI and Digital Twins in Ocean Engineering
Marine Geotechnics and Foundation Engineering
Deep-sea Resource Development and Subsea Pipeline Engineering
Marine Engineering Disaster Prevention and Reduction
Navigation and Maritime Technology

Publication

Registered and presented full papers will be included in the JCCME 2026 digital conference proceedings, which will be published by IET, and also submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

IET Compendex on Engineering Village Scopus

Accepted and selected extended papers can be recommended to publish in the following journal: "*International Journal of Vehicle Systems Modelling and Testing*" (ISSN: 1745-6444).
