

ISCSIC 2026

2026年9月11-13日
中国·南京

第十届计算机科学与智能控制国际会议 2026 10th International Symposium on Computer Science and Intelligent Control

Organized by: Southeast University

Hosted by: School of Automation, Southeast University

Co-organized by: School of Interdisciplinary Science, BIT

School of Artificial Intelligence and Automation, HUST

CoreShare Academic Exchange Center

Technically Co-sponsored by: IEEE

IEEE Nanjing Section

Welcome to ISCSIC 2026

2026 10th International Symposium on Computer Science and Intelligent Control (ISCSIC 2026) is organized by Southeast University, hosted by School of Automation, Southeast University, co-organized by School of Interdisciplinary Science, BIT, School of Artificial Intelligence and Automation, HUST, and CoreShare Academic Exchange Center. The conference is technically co-sponsored by IEEE and IEEE Nanjing Section. It is scheduled to take place in **Nanjing, China** on **September 11-13, 2026**.

ISCSIC focuses on theory and applications mainly covering the topics of unmanned systems, cyber-physical systems, computer vision, artificial intelligence, and etc. The conference will feature presentations, keynote addresses, invited sessions by leading international researchers, providing a platform for knowledge exchange in computer science and intelligent control.

We warmly welcome all colleagues at home and abroad to participate in this conference.

Committee

Steering Committee Chairs

Shi Jin, Southeast University, China
Donghua Zhou, Southeast University, China
Weidong Zhang, Shanghai Jiao Tong University, China
Li Chai, Zhejiang University, China

General Chairs

Guanghai Wen, Southeast University, China
Dezhi Zheng, Beijing Institute of Technology, China

General Co-chairs

Ming Chi, Huazhong University of Science and Technology, China
Junjie Fu, Southeast University, China

Program Chairs

Zhiwei Liu, Huazhong University of Science and Technology, China
Jialing Zhou, Beijing Institute of Technology, China
Junhui Zhao, Beijing Jiaotong University, China

Publication Chairs

Yu Zhao, Northwestern Polytechnical University, China
Yuezu Lv, Beijing Institute of Technology, China
Le Zhou, Zhejiang University of Science and Technology, China

Local Chairs

Songlin Du, Southeast University, China
Dan Zhao, Southeast University, China

Publicity Chairs

Xiuhui Peng, Nanjing University of Aeronautics and Astronautics, China
Yangyang Chen, Southeast University, China

Finance Chairs

Ying Wan, Southeast University, China
Xiao Fang, Southeast University, China

Award Chairs

Haibo Du, Hefei University of Technology, China
Peihu Duan, Beijing Institute of Technology, China

Program Committee

Nachuan Yang, Beijing Institute of Technology, China
Peijun Wang, Anhui Normal University, China
Jingxin Zhang, Southeast University, China
Jian Liu, Southeast University, China
Guanpu Chen, Southeast University, China
Tao Xu, Beijing Institute of Technology, China
Yan Zhou, Southeast University, China
Xuqiang Lei, Southeast University, China
Bin Cheng, Tongji University, China
Miao Cai, Southeast University, China

Keynote Speakers

Special Sessions

Please visit: www.iscsic.org/special_session.html for more information.

Session I

Multimodal Perception and Intelligent Control for Embodied Intelligent Systems

Session III

Advanced Intelligent Control for Multi-Agent Systems

Session V

Safe and Resilient Distributed Control for Autonomous Multi-Agent Systems

Session VII

Frontiers of Intelligent Systems: AI-Driven Control, Autonomy, and Emerging Challenges

Session IX

Safe Control and Collaborative Optimization for Autonomous Swarm Confrontation

Session XI

Intelligent Decision-Making and Control for Multi-Agent Systems

Session II

Data-Driven Intelligent Decision-Making and Optimization

Session IV

Formation Intelligent Control and Decision-Making: Theories and Applications

Session VI

Game-Theoretic Decision-Making under Incomplete Information for Clustered Swarms in Dynamic Open Environments

Session VIII

Computer Vision

Session X

Intelligent Monitoring and Collaborative Optimization for Complex Processes

Session XII

Intelligent Sensing and Applications

Publication

Registered and presented full papers will be included in the **ISCSIC 2026 digital conference proceedings** (ISBN: 979-8-3195-2369-3), which will be published by IEEE and submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements, and also submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Submission Notes

1. Manuscripts submitted to the conference should be written in English only.
 2. Manuscripts submitted to the conference should follow the template provided.
 3. Manuscripts can be submitted in Doc, Docx and PDF format.
 4. Oral or Poster presentations should be nominated while submitting an abstract.
 5. The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.
- Please visit: www.iscsic.org/sub.html for paper template and more information.
