

JCRAI 2026

中国·北京
11月6-8日

2026年第六届机器人与人工智能国际会议

2026 6th International Joint Conference on Robotics and Artificial Intelligence

Welcome to JCRAI 2026

We invite you to join the 2026 6th International Joint Conference on Robotics and Artificial Intelligence (JCRAI 2026), which will take place in Beijing, China during November 6-8, 2026. This conference is a forum for researchers, scientists, engineers and industry professionals to share the latest advances in the field of Robotics and Artificial Intelligence.

Attending this conference is an ideal way to stay up-to-date with the latest developments in this rapidly evolving field. Leading experts from around the world will be presenting their latest research and valuable experiences through superb speeches, presentations, and intellectual dialogues. We look forward to seeing you in Beijing for JCRAI 2026!

Conference Committee

International Advisory Committee

Peng Shi, The University of Adelaide, Australia

Mengchu Zhou, New Jersey Institute of Technology, USA

General Chairs

Youqing Wang, Beijing University of Chemical Technology, China

Junfang Fan, Beijing Information Science and Technology University, China

General Co-Chairs

Dazi Li, Beijing University of Chemical Technology, China

Jiyuan Zhao, Beijing Information Science and Technology University, China

Tao Zhou, North Minzu University, China

Publication Chairs

José Barata Oliveira, NOVA University of Lisbon, Portugal

Jinglin Zhou, Beijing University of Chemical Technology, China

Ning Liu, Beijing Information Science and Technology University, China

Publicity Chairs

Yanlin He, Beijing University of Chemical Technology, China

Lu Li, Beijing Information Science and Technology University, China

Yongming Han, Beijing University of Chemical Technology, China

Award Chairs

Zhengcai Cao, Beijing University of Chemical Technology, China

Yu Cui, Beijing University of Chemical Technology, China

Xingjian Fu, Beijing Information Science and Technology University, China

Finance Chairs

Junru Wang, Beijing Information Science and Technology University, China

Xi Wang, Beijing University of Chemical Technology, China

Local Chairs

Tao Zhang, Beijing Information Science and Technology University, China

He Feng, Beijing University of Chemical Technology, China

Program Chairs

Fan Zhang, Beijing University of Chemical Technology, China

Stefano Mariani, Politecnico di Milano, Italy

Lijie Wang, Beijing Information Science and Technology University, China

Program Committee

Liya Dou, Beijing University of Chemical Technology, China

Xiao Wang, Beijing University of Chemical Technology, China

Longchuan Li, Beijing University of Chemical Technology, China

Di Yu, Beijing Information Science and Technology University, China

Jian Cao, Beijing Information Science and Technology University, China

Weiye Wang, Beijing Information Science and Technology University, China

Important Dates

The Third Round

- Abstract Submission Due: August 15, 2026
- Full Paper Submission Due: August 30, 2026
- Registration Due: October 19, 2026

Special Session

Special Session I : Deep Learning-Driven Machine Vision Technology and Applications

Special Session II : AI-Empowered Change Control for Product Supply Chain Systems Subject to Security Threats

Special Session III: Vision-Driven Embodied Intelligence for Robot Navigation and Manipulation

Special Session IV: Research on Key Technologies of Humanoid Robotics

Special Session V : AI Methodologies and Applications in Pattern Recognition and Machine Learning

Special Session VI: Frontiers in AI for Remote Sensing: Image Processing and Target Detection

Special Session VII: Multimodal Information Perception and Human- Machine Interaction

Special Session VIII: Advances in Image Computing

Organized By:

成像探测与感知专业委员会

中国体视学学会

Hosted By:

北京化工大学

北京信息科技大学

Co-Organized By: IGIP

图像图形智能处理国家重点实验室
The Key Laboratory of Images and Graphics Intelligent Processing of State Ethnic Affairs Commission IGIPLab

Call For Papers

The topics of interest include, but are not limited to:

ARTIFICIAL INTELLIGENCE

- Agents and Multi-Agent Systems
- Expert Systems
- Fuzzy Logic

AMBIENT INTELLIGENCE

- Ambient Assisted Living
- Data Science
- Intelligent Driving

ROBOTICS

- Assistive Robots
- Autonomous Robots
- Creative and Entertaining Robots

MACHINE VISION

- Augmented Reality
- Bioinformatics
- Human Computer Interaction

Keynote Speaker

Prof. Tao Zhou

North Minzu University, China

Submission Guidelines

We are pleased to accept original and unpublished paper submissions from professors, doctors, PhD. students, teachers, engineers, industry researchers, and other academic experts for JCRAI 2026.

Online Submission System:

<https://cmt3.research.microsoft.com/JCRAI2026>

Publication Information

Registered and presented full papers will be included in the JCRAI 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.
