

NAOME 2026

2026 International Conference on Naval Architecture and Ocean & Marine Engineering

2026年船舶、海洋与海事工程国际会议

9月18-20日 | 中国·广州

Welcome to NAOME 2026

Welcome you to the 2026 International Conference on Naval Architecture and Ocean & Marine Engineering (NAOME 2026) which is organized by [Guangzhou Maritime University](#), hosted by [Guangzhou Maritime University, School of Shipping and Maritime Studies](#) and [Guangdong Ocean University, Naval Architecture and Shipping College](#), and co-organized by [Dalian Maritime University](#), [Guangdong Ocean University](#), [Wuhan University of Technology](#) and [Jimei University](#). This conference will be held in Guangzhou, China on September 18-20, 2026.

NAOME 2026 aims to bring together researchers, engineers, scientists, and industry professionals to an open forum to present their stimulating research and knowledge transfer ideas in the Naval Architecture, Ocean Engineering and Marine Engineering. However, we also recognize that the future for engineers is one where they will be working in interdisciplinary teams to solve new, complex, and evolving problems that will require innovative solutions. Therefore, we encourage the participation of other disciplines in this conference where multidisciplinary research and knowledge transfer projects are presented.

Organizing Committee

International Advisory Committee

Robert G Latorre, University of New Orleans, USA

Yabin Li, China Waterborne Transport Research Institute, China

Quanbo Ge, Nanjing University of Information Science and Technology, China

Huafeng Wu, Shanghai Maritime University, China

Conference Chairs

Jianping Chen, Guangzhou Maritime University, China

Yongqiang Zhuo, Guangzhou Maritime University, China

Conference Co-Chairs

Shenhua Yang, Jimei University, China

Jin Yan, Guangdong Ocean University, China

Program Chairs

Peilin Zhou, University of Strathclyde, UK

Yongtao Xi, Shanghai Maritime University, China

John Peng, National Transportation Research Center, Oak Ridge National Laboratory, USA

Publication Chair

Xinjian Wang, Dalian Maritime University, China

Local Chairs

An Wei, Guangzhou Maritime University, China

Aiguo Chen, Guangzhou Maritime University, China

Publicity Chair

Muyu Duan, Guangzhou Maritime University, China

Finance Chair

Fang Li, Guangzhou Maritime University, China

Award Chair

Jinshui Zhang, Guangzhou Maritime University, China

Program Committee

Wanneng Yu, Jimei University, China

Guanglin Wu, Guangdong Ocean University, China

Xin Wang, Dalian Maritime University, China

Jianping Yuan, Guangdong Ocean University, China

Kezhong Liu, Wuhan University of Technology, China

Guangchi Zhang, Guangdong University of Technology, China

Ronghui Li, Guangdong Ocean University, China

Qiang Zhang, Shandong Jiaotong University, China

Keynote Speakers

Robert G. Latorre

University of New Orleans, USA

Yabin Li

China Waterborne Transport Research Institute, China

Huafeng Wu

Shanghai Maritime University, China

Ketut Buda Artana

Institut Teknologi Sepuluh Nopember (ITS) Surabaya, Indonesia

Quanbo Ge

Nanjing University of Information Science and Technology, China

Tracks

Please visit: www.icnaome.org/tracks.html for more information.

Track I

Safety Analysis and Intelligent Assurance Technologies for Ships and Marine Equipment

Track III

Maritime Safety, Accident Prevention and Management

Track V

Maritime Communications and Networking

Track VII

Advancing Frontiers in Ocean Engineering

Track II

Ship Maneuvering and Intelligent Control

Track IV

Marine Engineering Hydrodynamics

Track VI

Key Technologies for Intelligent All-Electric Ships in Coastal and Inland Waters

Track VIII

Green and Intelligent High-Performance Vessels for the Future

Publication

Registered and presented full papers will be included in the NAOME 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Excellent Papers with significant extension will be recommended for publication in "*International Journal of Vehicle Systems Modelling and Testing*" (ISSN: 1745-6444) which will send to be reviewed and indexed by citation databases such as Ei Compendex and Scopus.

Key Dates

Abstract Submission Due: June 20, 2026

Full Paper Submission Due: June 30, 2026

Author Notification Due: August 7, 2026

Registration Due: August 30, 2026

Camera-ready Submission Due: August 30, 2026

Main Conference: September 18-20, 2026

Submission Notes

1. Manuscripts submitted to the conference should be written in English only.
2. Manuscripts submitted to the conference should follow the template provided.
3. Manuscripts can be submitted in Doc, Docx and PDF format.
4. Oral or Poster presentations should be nominated while submitting an abstract.
5. The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages,
6. the additional pages will be charged at the time of registration.

Please visit: www.icnaome.org/sub.html for paper template.
