

Welcome to JCICE 2026

It is with great pleasure that we invite you to the 2026 5th International Joint Conference on Information and Communication Engineering (JCICE 2026) which is scheduled to be held in **Chengdu, China** on **July 31-August 2, 2026**. JCICE 2026 is organized by **Chengdu University of Technology**, hosted by **School of Mechanical and Electrical Engineering, Chengdu University of Technology**, co-organized by **Chengdu University of Information Technology** and **Jiangsu University of Science and Technology**, and technically co-sponsored by **IEEE** and **IEEE Chengdu Section**.

The conference provides a suitable platform for all academics, leading researchers, and professionals to share their knowledge, exchange insightful ideas, present recent research, discuss future trends and challenges in information and communication engineering fields. All academic practitioners around the world are encouraged to submit their research abstracts, papers, and posters based on the conference scope, and present their work through demonstrations, tutorials, oral and poster presentations at the conference.

Committee

General Chairs

Xingqiao Deng, Chengdu University of Technology, China
Wenying Ma, Chengdu University of Information Technology, China

General Co-chairs

Xiaoling Zhong, Chengdu University of Technology, China
Yajuan Xue, Chengdu University of Information Technology, China
Yang Zhao, Harbin Institute of Technology, Weihai, China

Technical Program Committee Chairs

Ming Yin, Chengdu University of Technology, China
Junhui Zhao, Beijing Jiaotong University, China

Publication Chairs

Yang Yue, Xi'an Jiaotong University, China
Yue Sun, Chengdu University of Technology, China
Yuxiang Gao, Chengdu University of Information Technology, China

Publicity Chairs

Yuanjiang Li, Jiangsu University of Science and Technology, China
Gang Wu, University of Electronic Science and Technology of China, China

Finance Chair

Rui Xu, Chengdu University of Technology, China

Local Chair

Yuanming Lai, Chengdu University of Technology, China

Program Committee

Qian Liu, Chengdu University of Technology, China
Song Yang, Chengdu University of Technology, China
He Huang, Chengdu University of Information Technology, China
Xiaolin Qin, University of Chinese Academy of Sciences, China
Xiang Gao, University of Electronic Science and Technology of China, China

Call For Papers

Please visit: www.jcice.org/cfp.html for more information.

Topics of Interest include but not limited to:

- Cloud Computing, Mobile and Green Computing
- Data Communications
- Information and Communication Networks
- Information Retrieval
- Intelligent Data Analysis
- Knowledge Discovery
- Mobile and Ubiquitous Security

- Mobile Network Traffic Engineering, Performance & Optimization
- Mobile Wireless Internet
- Network and Data Security
- Operating System and Middleware Support for Mobile Computing
- Signal Processing for Wireless Communications
- Wireless Communication
- Wireless Sensor Networks and Applications

Publication

Registered and presented full papers will be included in the JCICE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Special Sessions

Please visit: www.jcice.org/sessions.html for more information.

Session I

Quantum Information Technologies and Intelligent Wireless Communications

Session III

Intelligent ISAC: Frontier Convergence and AI Integration

Session II

Millimeter-wave Radar Information Sensing

Session IV

Multi-Agent and Satellite Communication Technology
