Welcome to the 2026 6th International Conference on Industrial Automation, Robotics and Control Engineering (IARCE 2026), which will be held in **Hangzhou, China** on **November 13-15, 2026**. It is organized by Zhejiang University of Science and Technology.

IARCE 2026 aims to provide a platform to bring together academic scientists, researchers and research scholars to exchange and share their research and innovation results in the field of Industrial Automation, Robotics and Control Engineering.

IARCE 2026 aspires to keep up with advances and changes in a consistently morphing field. This year, we will invite four leading experts to give keynote speeches that focus on state-of-the-art research. Participants from around the globe will be presenting the latest studies through papers and oral presentations.

It is a great opportunity to find new friends and colleagues, meet old ones, and attend many high-quality technical activities as well as very enjoyable social ones.

We look forward to welcoming you to IARCE 2026!

Call For Papers

- Systems Engineering Theory and Technology
- Control Theory and Technology
- Control Systems and Applications
- System Modeling Theory
- Fault Diagnosis and Fault-tolerant Control
- Fuzzy System and Fuzzy Control

» Robotics and Applications

- Robotics and Intelligent Systems
- Industrial Robots
- Robot Clusters
- Machine Perception and Machine Vision
- Human-robot Interaction
- Medical and Rehabilitation Robots

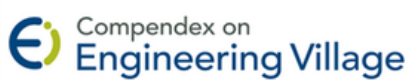

» Intelligent Information Processing and Emerging Technology

- Cloud Computing and Computational Intelligence
- Intelligence Information Processing
- Multimodal Medical Data Analysis and Mining
- Wireless Power Transfer
- Energy Storage and Power Conversion
- Planning and Control of AC-DC Hybrid Grids

Publication

Registered and presented full papers will be included in the IARCE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Notes: All accepted papers must be presented at the conference. No-show papers will be excluded from the conference proceedings.
