

ICAPE 2026

2026 2nd International Conference on Aerospace Propulsion Engineering

Xi'an, China | December 4-7, 2026

Organizing Committee

International Advisory Committee

Cai Guobiao, *Beihang University*, China
Hou Xiufeng, *China Aerospace Foundation*, China
Adrian Olaru, *University Association for Science and Technology of Romania*, Romania
Wang Zhanxue, *Northwestern Polytechnical University*, China

Conference Chairs

Liu Cunliang, *Northwestern Polytechnical University*, China
Liang Guozhu, *Beihang University*, China

Conference Co-Chairs

Zhang Xiaojun, *Xi'an Aerospace Propulsion Institute*, China
Ling Wenhui, *China Aerospace Propulsion Technology Information Society*, China
Sergey Timushev, *Moscow Aviation Institute*, Russia

Academic Committee

Liang Guozhu, *Beihang University*, China
Zhou Weixing, *Harbin Institute of Technology*, China
Wang Ge, *Harbin Engineering University*, China
Wang Jianping, *Peking University*, China
Zhao Qunli, *Aviation Industry Development Research Center of China*, China
Chen Jun, *Beijing Institute of Control Engineering*, China
Zheng Yao, *Zhejiang University*, China
Liu Cunliang, *Northwestern Polytechnical University*, China
Yu Jinlu, *Air Force Engineering University*, China
Wang Weizong, *Beihang University*, China
Florin Mingireanu, *PFA Florin Mingireanu (Bureau of Aerospace Technology)*, Romania
Yu Nanjia, *Beihang University*, China
Sergey Timushev, *Moscow Aviation Institute*, Russia
Ao Wen, *Northwestern Polytechnical University*, China
Zhang Silong, *Harbin Institute of Technology*, China
Zhaohui Cen, *Technology Innovation Institute*, UAE

Program Committee

Wang Ke, *Northwestern Polytechnical University*, China
Chen Yuzhi, *Northwestern Polytechnical University*, China
Chen Yang, *Beihang University*, China
Tong Xiaoyan, *Beihang University*, China
Liu Shijie, *Beijing Aerospace Propulsion Institute*, China
Xie Fushou, *Xi'an Jiaotong University*, China
Alexander Molokanov, *Harbin Institute of Technology*, China
Badykov Renat, *Harbin Institute of Technology Zhengzhou Research Institute*, China
Ata Pourmahmoud, *Sharif University of Technology*, Iran

Publication Committee

Wang Dingxi, *Northwestern Polytechnical University*, China
He Yunqin, *Beihang University*, China
Zhang Yafeng, *Journal of Propulsion Technology*, China

Publicity Committee

Wang Zhiwu, *Northwestern Polytechnical University*, China
Wei Pengfei, *Northwestern Polytechnical University*, China
Guo Hengjie, *Northwestern Polytechnical University*, China
Guo Hongjie, *Beihang University*, China
Zhang Lihui, *Beihang University*, China
Li Jiawen, *Beihang University*, China

Finance Chair

Li Lei, *Northwestern Polytechnical University*, China

Local Chair

Gao Wenjun, *Northwestern Polytechnical University*, China

Final Round

- Abstract Submission Due: October 15, 2026
- Full Paper Submission Due: October 30, 2026
- Main Conference: December 4-7, 2026

Welcome to ICAPE 2026

The 2026 2nd International Conference on Aerospace Propulsion Engineering (ICAPE 2026) will be held in Xi'an, China, from December 4 to 7, 2026.
We welcome leading experts, researchers, and professionals from around the world to explore the latest innovations in aerospace propulsion engineering. The conference offers a unique platform for stimulating discussions, sharing cutting-edge research, and discovering emerging technologies shaping the future of the field.

Call For Papers

Topics include but are not limited to:

- Rocket Propulsion
- Air-breathing Propulsion
- Air-breathing and Rocket Combined Propulsion
- Aeroelectric Propulsion
- Fuels and Propellants
- Environmental Impact of Propulsion
- *more topics*

Keynote Speakers

Prof. Liu Cunliang
Northwestern Polytechnical University, China

Prof. Oskar Josef Haidn
Technical University of Munich, Germany

Prof. Wang Dingxi
Northwestern Polytechnical University, China

Dr. Matthias Meinke
RWTH Aachen University, Germany

Prof. Tang Haibin
Beihang University, China

Prof. Vitaly Gennadievich Smelov
Samara University, Russia

Submissiom

The ICAPE 2026 conference is now in the process of soliciting submissions of original and innovative papers. Authors are encouraged to submit original papers for conference consideration. The submitted papers must not be previously published or accepted for publication elsewhere, and must not be submitted to any other conferences before and during the ICAPE 2026 review process.

Submission system:
https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FICAPE2026

Requirements

- The full manuscript must be written in English, including all figures, tables, equations, and other content.
- All submissions must be original, unpublished work. Papers should be relevant to the conference themes, well-supported by sufficient evidence, and demonstrate practical value and innovation.
- The manuscript should be 4–6 pages in length, including equations, figures, tables, references, and all other content. A page overlength fee will be charged for manuscripts exceeding 6 pages.
- All submissions must be prepared in accordance with the conference paper template, which can be downloaded from the conference website.
- Authors may, at their own expense, use iThenticate or another plagiarism detection system to check their manuscript. The similarity index must not exceed 20%.

For additional submission requirements and further information, please visit the ICAPE 2026 website: www.icape.org.cn

Publication

All accepted and registered papers of ICAPE 2026 will be submitted to Ei Compendex、Scopus、CNKI for indexing consideration.

Note: Selected papers will be published by Springer in the *Advances in Aerospace Propulsion Engineering*.
