Welcome to JCICE 2026

It is with great pleasure that we invite you to the 2026 5th International Joint Conference on Information and Communication Engineering (JCICE 2026) which is scheduled to be held in **Chengdu, China** on **July 10-12, 2026**. JCICE 2026 is organized by **Chengdu University of Information Technology** and **Chengdu University of Technology**, hosted by **College of Communication Engineering (College of Microelectronics), Chengdu University of Information Technology** and **School of Mechanical and Electrical Engineering, Chengdu University of Technology**, and co-organized by **Jiangsu University of Science and Technology**.

The conference provides a suitable platform for all academics, leading researchers, and professionals to share their knowledge, exchange insightful ideas, present recent research, discuss future trends and challenges in information and communication engineering fields. All academic practitioners around the world are encouraged to submit their research abstracts, papers, and posters based on the conference scope, and present their work through demonstrations, tutorials, oral and poster presentations at the conference.

Call For Papers

Please visit: www.jcice.org/cfp.html for more information.

Topics of Interest include but not limited to:

- Advanced Database Technologies
- Cloud Computing, Mobile and Green Computing
- Data Communications
- Data Mining
- Database and Data Management Mobile Computing
- Decision Support
- Information and Communication Networks
- Information Retrieval
- Information Security and Privacy
- Intelligent Data Analysis
- Knowledge Discovery
- Mobile and Ubiquitous Security
- Mobile and Wireless Technologies (UWB, MIMO, WiMAX, etc.) and Networks
- Mobile Applications & Services
- Mobile Computing Markets & Business Models
- Mobile Network Traffic Engineering, Performance & Optimization
- Mobile System Design, Implementation and Applications
- Mobile Wireless Internet
- Multimedia and Image Processing
- Natural Language Processing
- Network and Data Security
- Operating System and Middleware Support for Mobile Computing
- QoS Adaptation
- Recommender Systems
- Signal Processing for Wireless Communications
- Software Engineering and Software Development
- Spatial Intelligent
- Wireless Communication
- Wireless Sensor Networks and Applications

Publication

Registered and presented full papers will be included in the JCICE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Compendex on Engineering Village   Scopus

Key Dates

Abstract Submission Due: March 25, 2026
Full Paper Submission Due: April 11, 2026
Author Notification Due: April 25, 2026
Registration Due: May 25, 2026
Camera-ready Submission Due: June 8, 2026
Main Conference: July 10-12, 2026

Publication History

JCICE 2025
Harbin, China
July 25-27, 2025
Published by **IEEE**
ISBN: 979-8-3315-7632-5
EI Compendex & Scopus

JCICE 2024
Fuzhou, China
May 10-12, 2024
Published by **IEEE CPS**
ISBN: 979-8-3503-8872-5
EI Compendex & Scopus

JCICE 2023
Chengdu, China
May 12-14, 2023
Published by **IEEE CPS**
ISBN: 979-8-3503-2576-8
EI Compendex & Scopus

JCICE 2022
Virtually
May 20-22, 2022
Published by **IEEE CPS**
ISBN: 978-1-6654-6067-5
EI Compendex & Scopus

Submission Notes

- Manuscripts submitted to the conference should be written in English only.
- Manuscripts submitted to the conference should follow the template provided.
- Manuscripts can be submitted in Doc, Docx and PDF format.
- Oral or Poster presentations should be nominated while submitting an abstract.
- The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.

For paper template, please visit: www.jcice.org/sub.html
