

CFEEE 2026

September 18-20, 2026
Shanghai, China

2026年第五届能源与环境工程国际会议

2026 5th International Conference on Frontiers of Energy and Environment Engineering

Welcome to CFEEE 2026

It is our great honor to invite you to the 2026 5th International Conference on Frontiers of Energy and Environment Engineering (CFEEE 2026) which will be held in Shanghai, China during September 18-20, 2026.

This will be an energetic, stimulating and informative event, convening scientists, researchers, experts and delegates from the energy and environment engineering area. Being part of it, you will have opportunities to meet colleagues and friends, learn and share experiences.

Our organizers do their best to ensure an exciting conference program to create an enjoyable memory for all participants. The conference program lasts for three days. It will feature excellent international invited speakers, and oral and poster presentations, covering subject areas across the spectrum of energy and environment engineering in plenary and parallel session formats.

We look forward to welcoming and meeting you!

Conference Scope

Please visit www.cfeee.org/cs to learn more.

Topics of interest for submission include, but are not limited to:

- Advanced Energy Technologies
- Building Energy-Saving Applications
- Carbon Pricing
- Carbon Peak and Carbon Neutrality
- Clean Production Process
- Climate Change and Global Warming
- Cultivation and Conservation of Forest
- Development and Utilization of Biomass Energy
- Development and Utilization of Solar Energy
- Development and Utilization of Wind Energy
- Eco-Design and Eco-Efficiency
- Efficient Use of Resources
- Energy Efficiency
- Energy-Saving Technology
- Renewable Energy Utilizations
- Renewable Energy Grid
- Power System Optimization
- Power System Scheduling
- Power System Stability
- Power System Control
- Power System Reliability
- Power System Simulation
- Power System Modelling
- Power System State Estimation
- Power Quality
- New Electric Power System Technologies

Publication

Registered and presented full papers will be included in the CFEEE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Accepted and selected papers can be recommended to publish in the following journal: "*International Journal of Vehicle Systems Modelling and Testing* (ISSN: 1745-6444)"

Publication History

CFEEE 2025:

July 4-6, 2025 | Shanghai, China

Published by **IET**

CFEEE 2024:

December 2-4, 2024 | Cairns, Australia

Published by **IET**

CFEEE 2023:

September 1-3 | Virtual Conference

Published by **Springer Environmental Science and Engineering**

CFEEE 2022:

December 16-19, 2022 | Virtual Conference

Published by **Energy Reports**

Key Dates

Abstract Submission Deadline: May 29, 2026

Full Paper Submission Deadline: June 12, 2026

Author Notification Deadline: June 26, 2026

Registration Deadline: July 24, 2026

Camera-ready Submission Deadline: August 14, 2026

Main Conference: September 18-20, 2026

Submission Guidelines

1. Manuscripts submitted to the conference should be written in English only.
2. Manuscripts submitted to the conference should follow the template provided.
3. Manuscripts can be submitted in Doc, Docx and PDF format.
4. Oral or Poster presentations should be nominated while submitting an abstract.
5. The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.

Please visit www.cfeee.org/sub to download paper template.
